Executive Profile

Trusted advisor to Fortune 500 and enterprise technology leaders, specializing in AI strategy, AI-enabled security operations, cloud security, cloud-native architecture, compliance, infrastructure modernization, and executive technical strategy across AWS, Azure, and GCP.

Selected Strengths

AI strategy and automation	AI-enabled security operations	Cloud security architecture
CNAPP and toxic risk prioritization	FedRAMP, FDA/GxP, SOX, PCI, HIPAA, SOC 2	Executive AI, cloud, and security workshops

Experience

Wiz

Field CTO | July 2021 - Present | St. Petersburg, FL

- Serve as trusted advisor to CISOs and cloud security architects across Fortune 500 firms.
- Advise on Wiz's Public Sector FedRAMP offering, including compliance strategy, security architecture, and customer enablement.
- Architect secure cloud-native strategies using Wiz CNAPP to identify toxic risk combinations across IaaS, PaaS, and containers.
- Embed AI and ML into security operations, risk prioritization, compliance automation, and executive decision support.
- Deliver executive briefings, strategic workshops, hands-on solution design, and voice-of-customer roadmap input.

GINDINconsulting

Founder | December 1999 - Present | St. Petersburg, FL

- Lead an independent advisory firm serving Fortune 500 and enterprise clients.
- Advise on AI strategy, cloud architecture, cybersecurity, infrastructure modernization, compliance, and digital transformation.
- Help organizations embed AI and automation into security, cloud operations, executive reporting, and risk reduction initiatives.
- Deliver practical guidance that improves resilience, operational efficiency, and business outcomes.

CloudPassage

Senior Cloud Security Architect | April 2015 - July 2021 | San Francisco, CA

- Led onboarding and strategic technical advisory for Fortune 100 customers.
- Delivered enterprise cloud security architectures across AWS, GCP, Azure, and Kubernetes.
- Automated compliance for PCI DSS, HIPAA, SOC 2, and DISA STIG frameworks.
- Integrated Halo APIs with SIEM platforms including Splunk, Sumo Logic, and ArcSight.
- Pioneered telemetry-driven risk analytics using dashboards to surface security trends and reduce churn.

AJO

Senior IT Consultant | January 2013 - April 2015 | Philadelphia, PA

- Led enterprise infrastructure and disaster recovery redesign for a \$24B investment firm.
- Delivered Microsoft software integrations, LAN/WAN upgrades, firewall deployments, and system migrations.

Simplilearn

PMP and ITIL Certification Instructor | November 2011 - January 2014 | Remote and Client Sites

- Trained project managers and IT professionals pursuing PMP and ITIL certifications.
- Supported clients including Merck, Sprint, Siemens Energy, and National Grid.

Johnson & Johnson and Enterprise Consulting

Project Manager, Infrastructure Architect, Web Developer | 1997 - 2012 | PA, NJ, and Client Sites

- Led FDA/GxP, SAP, infrastructure, data warehouse, network, and application delivery initiatives.
- Managed cross-functional and global technology teams across regulated healthcare, finance, and enterprise environments.
- Delivered early internet, intranet, extranet, and e-commerce platforms, including award-winning J&J; digital initiatives.

I.D.I.S. and FarmDirect.com

Software Architect and Co-Founder | 1995 - 1997 | Philadelphia, PA

- Co-founded early web-based collaboration and e-commerce ventures.
- Led software architecture for dynamic catalogs, secure transactions, image transmission, and USDA-supported inspection workflows.

Education and Certifications

- Art Institute of Fort Lauderdale, 1990 - 1991.
- PMP (Project Management Professional) Certification.
- Scrum Master Accredited Certification.
- ITIL Practitioner.
- Technical Editor, PMP Practice Makes Perfect: Over 1000 PMP Practice Questions and Answers.
